JOBS, VOLUNTEER EXPERIENCE, AND ACTIVITIES

Papa Murphy's Pizza, Calgary, Alberta — *Pizza Maker*

AUGUST 2019 - AUGUST 2021

Standard position as a pizza maker in a family business. Responsibilities included taking orders from customers, cleaning pizza utilities, tracking the inventory of the store, and occasionally guiding other employees.

Calgary Public Library, Calgary, Alberta — *Volunteer*

SEPTEMBER 2017 - JANUARY 2018

Volunteered for two kids' library programs respectively called, Code Club and Math Quest. In Code Club, the responsibility was to teach kids block programming and give an introduction to computer programming. In Math Quest, the responsibility was to engage in math-related activities with the kids and other volunteers.

Henry Wise Wood High School Calgary, Alberta — *Volunteer*

FEBRUARY 2019 - JUNE 2019

Helped assist a teacher, along with other volunteers in order to create a better-formatted marking rubric for the teacher's courses, and also helped with other small, miscellaneous tasks. This position made use of basic computer skills, for creating documents and taught the importance of quality control in a collaborative project.

EDUCATION

Henry Wise Wood, Calgary, Alberta — *High School Diploma*

SEPTEMBER 2017 - JUNE 2020

Standard high school diploma which was acquired from 100 or more school course credits. Received an honor with distinction award amongst the core subjects in Grade 12.

University of British Colombia, Vancouver, British Colombia — *Mathematics*

SEPTEMBER 2020 - PRESENT

Currently enrolled in the math program as an undergraduate student. I am currently in my 2nd year.
